

Called to Hope

Together for Europe
Graz • Seggauberg

31.10. – 02.11.
2024

'Called to hope' is the theme of the 2024 Friends of *Together for Europe* meeting.

It is thanks to God that we can hope, and hope is necessary in today's world. In 25 years of fraternal cooperation, we have discovered a path that calls God's people to unity and shows our society more fraternity.

31 October 2024 marks the anniversary of the founding of *Together for Europe* and the signing of the Joint Declaration on the Doctrine of Justification. A reason to thank God and discover new perspectives.

Representatives of Churches, Movements and Communities that support the network or wish to get to know it better, as well as friends and interested parties, are invited.
